## REPORT OF THE GILFORD PUBLIC LIBRARY

---

To the Citizens of Gilford:

The undersigned trustees of the Gilford Public Library respectfully submit the following report for the year ending December 31, 1951.

During the year Mrs. Augustine S. Francis served as chairman, Bertrand F. Ames as treasurer, and Mrs. Robert B. Smith as secretary.

This has been a year of continued interest in the library with the usual increase in subscribers and number of books loaned. The greatest increase appears in the number of non-fiction books loaned.

We wish to call to everyone's attention the extremely successful story hour held in November during Book Week. Mrs. Robert Fuller entertained forty-three children of all ages at the library with a delightful program. We are very grateful to Mrs. Fuller for this generous contribution to the children of Gilford and to the library.

We appreciate the interest of Mrs. A. P. Aldrich who gave a number of plants which were used in the library flower bed.

A new book case for the children's section has been attracting favorable comment. Junior readers are finding it pleasant to use and it has greatly improved the appearance of the reading room.

Again we take this opportunity to thank all our friends who have contributed their time and efforts for the benefit of the library.

Respectfully submitted,

MARGARET J. FRANCIS  
BERTRAND F. AMES  
BARBARA A. SMITH

**Only YOU Can PREVENT Forest Fires**

---

New Hampshire faces a real forest fire problem and challenge! To meet it successfully, New Hampshire and your community needs YOUR thoughtful and cooperative effort.

Continuously heavy lumbering operations following the hurricane has produced more than 4 billion board feet of lumber. This lumber helped win World War II, meet post war needs and now the current requirements for the Korean military action. But it has added nearly 900,000 acres of slash to our already sizeable slash problem.

When YOU fail to use needed precautions while burning in or near woodlands—

When YOU fail to secure the required permit from your local forest fire warden before burning—

When YOU are careless in smoking near woodlands—

When YOU throw lighted cigars, cigarettes and matches from vehicles moving along the highway—

YOU are violating fundamental common sense and may easily contribute to a substantial and costly fire. Such conflagrations are possible because of the hundreds of thousands of slash acres throughout the state!

REMEMBER—the fire YOU prevent might be one which could conceivably burn YOUR property and harm YOUR community!

ONLY YOU and YOU and YOU can prevent forest fires!! Will YOU help!

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the Members of the School Board, Parents, and Voters:

My first annual report will be brief because of printing costs and the necessity for extensive study before making complete recommendations concerning the Gilford schools.

The School District of Gilford has one of the outstanding school buildings in New Hampshire. It is very fitting that a community with extensive recreational facilities and thousands of visitors should have a school building that is in keeping with the unusual scenic atmosphere.

The School Board has worked diligently on the proposed school budget for 1952-53. Your attention is invited to the fact that of the total \$77,188.79, 75% covers the three items of tuition, teachers' salary and transportation.

The school budget increase is caused by a \$7,000 increase in tuition costs, which are increasing in all schools of New Hampshire.

The School District of Gilford, under the new state law of 1951, pays an increased amount of the supervisory union expenses. You will note that the state law is based on adjusted valuations as determined by the State Tax Commission. The amounts for books, scholars' supplies and general supplies have not been increased in the budget in spite of soaring prices of all commodities.

The School District of Gilford with the total adjusted valuation available is financially capable of maintaining whatever schools the people of the community want.

## TEACHERS

Mr. James Armstrong, Mrs. Natalie Davis, Mrs. Mary C. Fall and Mrs. Agnes Moulton returned for the 1951-52 school year. Miss Eugenia Clonaris, a graduate of Keene Teachers' College, was secured for the intermediate pupils. Mr. Arthur V. Bolduc, a graduate of the University of New Hampshire is teaching older pupils.

I wish to call attention to the fact that the Gilford Parent-Teachers' Association is very interested in the schools. It is wholesome to see a group annually doing things, such as the purchase of a new typewriter for the children of Gilford, cooperatively working with the school board and the teaching staff.

I wish to express my appreciation and thanks to the School Board, the principal, the teachers, the P.T.A. and all citizens for their cooperation and support.

Cordially yours,

GORDON L. FOX.
